

## Glenn-Colusa Irrigation District Employment Opportunities

GCID is now accepting Water Operations Worker and Maintenance Worker applications. Candidates will have the opportunity to learn how to deliver irrigation water to thousands of acres of farmland and three wildlife refuges, learn how to perform maintenance on the District's conveyance system, repair and replace water control structures, learn different concrete techniques used for infrastructure projects, and become familiar with operating a wide variety of heavy equipment (excavators, backhoes, graders, dozers, lowbed trucks, dump trucks, cranes, manlifts) used to maintain and operate the District's system that provides irrigation deliveries to Glenn and Colusa counties.

### ***Water Operations Worker***

Understand and perform all duties and responsibilities to deliver irrigation water, resolve concerns of water users, keep records, and monitor and maintain the water system. Will be expected to possess intermediate math skills, perform construction, general maintenance, equipment operation, or other work at the discretion of the District.

### ***Maintenance Worker***

Understand and perform general labor work in the maintenance, construction, and repair of District canals, laterals, and roadways, and operate motor vehicles and other equipment. Will be expected to perform water distribution duties, or other work at the discretion of the District.

### ***Qualifications***

All candidates must possess a valid California Class C Driver's License and may be required to obtain and maintain a Class B and Class A California Driver's License.

### ***Compensation***

Beginning salary for these positions is \$3,119 per month, with a salary step schedule for increases. The District also offers a complete benefit package.

Applications and detailed job descriptions are available at Glenn-Colusa Irrigation District, P.O. Box 150, 344 East Laurel Street, Willows, CA, 95988, telephone 530-934-8881, or on the District's website at [www.gcid.net](http://www.gcid.net). Applications will be accepted until 5 p.m. on Monday, April 12, 2021. GCID is an EOE.
